

OTTER BASH 2019 SPONSORSHIP OPPORTUNITIES

ABOUT MONTCLAIR ELEMENTARY

Montclair Elementary School (MES) is regarded as one of the best schools, public or private, in Oakland. In 2015, MES was awarded the prestigious Blue Ribbon Schools Award by the U.S. Department of Education. This honor recognized 335 schools nationwide based on their overall academic excellence or their progress in closing achievement gaps among student subgroups. The schools represent public and non-public elementary, middle and high schools, including traditional, charter, magnet schools, parochial and independent schools. MES is the only Oakland Unified elementary school among the 2015 recipients! The school also has been recognized as a California Distinguished School since 2010. Only 3% of all California schools receive this prestigious recognition. With consistently high test scores placing the school in the top 2% of all ranked public schools in the state and a well-rounded program that fosters both social and academic growth all while providing a fun, diverse, and enriching environment for the over 600 children who attend, MES truly is one of the shining stars of the Oakland Unified School district.

THE EVENT

Every year, Montclair Elementary School PTA holds a fantastic Silent and Live Auction fundraiser: the Otter Bash is our festive spring, adults-only party, which will be held on April 6, 2019 at the Greek Orthodox Church in Oakland. The funds that we raise from the event support the PTA enrichment and community programs, including library, computer instruction, art, music, gardening, family science night, field trips, and much more. The Otter Bash would not be possible without the generous donations and sponsorships from organizations and business like yours.

SPONSORSHIP

Becoming a MES Sponsor helps increase the quality of the education our children receive while giving you and your business the opportunity to show your support for our local schools. There are over 600 children attending Montclair Elementary. Otter Bash sponsors gain exclusive, direct exposure to thousands of current and prospective customers, many of whom already shop in Montclair Village before and after school. Sponsorship is a cost efficient, tax-deductible, and targeted way to build awareness of your business and/or offer specific promotions.
